PROJECT MISSOURI WILD

Try a Project WILD "Quick Quiz"

Project WILD is used by:

- ☐ adult educators
- ☐ youth leaders
- ☐ anyone who works with young people
- ☒ all of the above

Project WILD helps teach children:

- ☐ to be stewards of the land
- ☐ how, not what, to think
- ☐ improve their understanding of conservation and use of our natural resources
- ☒ all of the above

Project WILD includes topics on:

- ☐ habitats
- ☐ wildlife
- ☐ history, communications and current events
- ☒ all of the above

Project WILD is:

- ☐ hands-on and inexpensive
- ☐ used across the curriculum
- ☐ used by students with special needs
- ☐ used with thematic teaching and cooperative learning
- ☐ written by classroom teachers, environmental educators and biologists
- ☒ all of the above

PROJECT WILD AQUATIC

- ✎ Forty more activities emphasizing aquatic wildlife and ecosystems
- ✎ Contains aquatic extensions referenced in WILD guide
- ✎ Aquatic guide is included in a six-hour workshop
- ✎ Based on the same themes and concepts as the WILD guide
- ✎ Offers opportunities for thematic units, research projects and field studies

"The guides are going to be excellent tools."
Pre-service Teacher, St. Louis

*"Great workshop!
I'm looking forward to using these activities in my classes!!"*
High School Teacher, Poplar Bluff

WITH WILD, STUDENTS WILL:

- ✔ predict the effect of habitat loss on migrating waterfowl in "Migration Headache"
- ✔ chart the growth rate of a wildlife population in "Turkey Trouble"
- ✔ discover creative writing skills in "Animal Poetry"
- ✔ calculate water use in "Water's Going On?!"
- ✔ map rainfall and vegetative cover in "Rainfall and the Forest"

"Excellent program!"
Nature Center Volunteer, St. Louis

All these animals live in Missouri:

barred owl ➤ Mississippi mud turtle
eastern bluebird ➤ wood duck
big brown bat ➤ cedar waxwing
northern fence lizard ➤ bobcat
red-winged blackbird ➤ woodchuck
river otter ➤ eastern tiger salamander
bullfrog ➤ Osage copperhead ➤ beaver
alligator snapping turtle ➤ barn swallow
white-tailed deer ➤ southern leopard frog
wild turkey ➤ hooded merganser ➤ red bat
fox squirrel ➤ Tennessee warbler ➤ garter snake
cotton mouse ➤ pileated woodpecker ➤ bald eagle
Virginia opossum ➤ red-eared slider ➤ striped skunk
great blue heron ➤ cottontail rabbit ➤ Indiana myotis
raccoon ➤ American kestrel ➤ spring peeper

"The materials will be very useful in my classroom."
High School Teacher, Springfield

WILD IS SPONSORED BY:

Missouri Departments of Conservation, Natural Resources and Elementary and Secondary Education, and others who have an interest in conservation and education

"I've received a lot of ideas to use in school."
Elementary School Teacher, Oran
